

## **Report For Website**

**Product Name:** Mrs. Meyers Auto Dish Wash Lavender

**Specification ID:** 350000034470

| <b><u>Ingredients</u></b>                                      | <b><u>CAS Number</u></b> | <b><u>Function</u></b> | <b><u>Designated List</u></b> |
|----------------------------------------------------------------|--------------------------|------------------------|-------------------------------|
| Sodium Carbonate                                               | 497-19-8                 | Builder                |                               |
| Sodium Sulfate                                                 | 7757-82-6                | Filler                 |                               |
| Sodium Citrate                                                 | 6132-04-3                | Chelator               |                               |
| Sodium Carbonate Peroxide                                      | 15630-89-4               | Bleach                 |                               |
| Sodium Silicate                                                | 1344-09-8                | Builder                |                               |
| Polyacrylic Acid, Sodium Bisulfite Terminated                  | 68479-09-4               | Polymer                |                               |
| Proprietary Chemical: BASF Plurafac SLF 180 Alcohol Alkoxylate |                          | Surfactant             |                               |
| Sodium Carboxymethyl Inulin                                    | 430439-54-6              | Surfactant             |                               |
| Subtilisin                                                     | 9014-01-1                | Enzyme                 | Designated List*              |
| Amylase                                                        | 9000-90-2                | Enzyme                 | Designated List*              |
| Phenethyl Alcohol                                              | 60-12-8                  | Fragrance Compound     |                               |
| Benzenemethanol, 4-methoxy-, acetate                           | 104-21-2                 | Fragrance Compound     |                               |
| Benzoic acid, 2-hydroxy-, hexyl ester                          | 6259-76-3                | Fragrance Compound     |                               |
| Linalool                                                       | 78-70-6                  | Fragrance Allergen     |                               |
| Geraniol                                                       | 106-24-1                 | Fragrance Allergen     |                               |
| Linalyl Acetate                                                | 115-95-7                 | Fragrance Allergen     |                               |
| Geranyl Acetate                                                | 105-87-3                 | Fragrance Allergen     |                               |
| Camphor                                                        | 76-22-2                  | Fragrance Allergen     |                               |
| Limonene                                                       | 138-86-3                 | Fragrance Allergen     |                               |

|          |           |                    |  |
|----------|-----------|--------------------|--|
| Limonene | 5989-27-5 | Fragrance Allergen |  |
|----------|-----------|--------------------|--|
